

## LAND REGISTRATION INFORMATION UPDATE

Since the transition project of the Land Registration from manual system to the computerized Land Registration System [LRS] in 1985, it was found that a number of registered land owners whom their identification card number were unknown and have been registered temporarily using the identification codes below:

1. Code D: Land owners who were deceased during registration; and
2. Code Z: Land owners who were still alive during registration

The use of this temporary identification code is to ease the implementation process of the LRS project which is still being used today. The information on these registered land ownership cannot be updated and no revisions were made due to the following items:

1. There have been no land transactions on the owned lots;
2. The Lands Department is facing difficulties in tracing the land owners in order to update the information in the Land Registration System.

With regards to this, cooperation is required from land owners or their heirs to visit any District Land Office to get the “Updating Information on Ownership of Land” forms and to return it after it is completely filled and attached with the required documents. This should be done within 2 weeks of taking the form.

The information required is needed for Lands Department to update the owners’ data and the ownership of their land to the Land Registration system.

The forms can be downloaded through Lands Department’s website [www.tanah.gov.bn](http://www.tanah.gov.bn) or attained and submitted back to the District Land Offices as follows:

Location	Place
Brunei dan Muara	Brunei dan Muara District Land Office, 1 <sup>st</sup> Floor, Lands Department building.
Belait	Belait District Land Office
Tutong	Tutong District Land Office
Temburong	Temburong District Land Office

The time schedule for the receipt of the forms are as follows:-

Date :	Monday – Thursday & Saturday
Time :	8.00am – 11.30am 2.00pm – 4.00 pm

### Reminder:

Land owners or their heirs are asked to be present to the District Land Offices within 3 months from **October 1st, 2016 until December 31st, 2016.**

The list of land owners registered under the temporary identity code (Z and D) are as follows:
